## LETTER FROM THE DIRECTORS

*Dear friend,*

Since our founding in 2009, Smile On Seniors has earned its reputation as the foremost provider of programming and services for the golden age Jewish population in Phoenix and environs. When Covid hit, our tried and true methods of operation had to be completely revamped. While some went under, we went over - the top. If anything, the SOS flagship service, the home visitation program which twins volunteers with a senior "buddy," spawned deeper relationships. Our programming, all over Zoom, was more eclectic and frequent. We are grateful that we could be there with "to-go" Shabbat dinners, Holiday packages and even Thanksgiving Dinner. We were also instrumental in helping hundreds of seniors get vaccinated. It was as good as it could be during a pandemic, but now we are ready to rise again with a whole new in-person energy. Covid put feelings of loneliness and isolation on steroids. We want to make sure no senior has to suffer those feelings ever again.

Do you know of a senior at home or in a community that could benefit from a visit with a new friend? Do you know a senior who would enjoy Shabbat dinners, Holiday celebrations, pre-Holiday workshops, themed lunches, discussions with a Rabbi or Rebbetzin or the plethora of fun events we host? Give us a call today!

Would you like to join our growing ranks of volunteers and enrich your life as you bring happiness to a senior? Give us a call today!

Please take a moment to peruse our program guide and take note of which offerings are of interest to you. SOS is constantly growing and evolving to meet new demands as they arise. Please partner with us and let us know what you would like to see offered!

At SOS we believe people of all ages should enjoy happiness and dignity. And when we can do so together, as a community, it's altogether different. We can't wait to see you at our upcoming events!

*Rabbi Levi and Chani Levertou*
